

PVC PRODUCTS

Here at PEAK, our focus is to design better solutions for the building industry. We look at traditional products and ask ourselves how can we make it better. What can we design that you haven't seen before? How can we partner with our customers and help them stand out in their market?

BOARDS & SHEETS

BENDABLE SHEETS

MOULDINGS

COLUMN WRAPS

Better Products - Better Design

During manufacturing a special formulation and extrusion process is used to combine the best characteristics of Celuka and Free Foam.

You no longer have to choose type of PVC is right for your project!

HYBRID PVC BOARDS

Part Number	Nominal	Actual	Unit Qty	Category
PK584-18	5/8 x 4 x 18	5/8" x 3 1/2" x 18'	217	Board
